The Team Canvas

v. 1.0 | English | theteamcanvas.com

Most important things to talk about in the team to make sure your work as a group is productive, happy and stress-free

Team Name: Spark 16_18

Date: 11/09/2021

People & Roles

What are our names and the roles we have in the team?

Daksith Chandrasekera
Team leader

Ravindu Yasas Nagasinghe
Team member

Rahal Perera
Team member

Rahul Jeyanthan
Team member

Goals

What we want to achieve as a group? What are our key goals that are feasible, measurable and time-bounded?

To help the whole world through our innovation to tackle the global climate crisis.

Win the Spark Challenge and get investment to launch our product

Develop a new product using our existing and newly acquired skills within the given timeline

Values

What do we stand for? What are guiding principles? What are our common values that we want to be at the core of our team?

Being passionate about Spark Challenge and making the necessary sacrifices to achieve our common goal

Co-operation and assisting team members whenever possible

Value our and other's time

Respect and consider the opinions of all team members.

Rules & Action Points

What are the rules we want to introduce after doing this session?

How do we communicate and keep everyone up to date? How do we make decisions? How do we execute and evaluate what we do?

How do we make decisions?
Come up with solutions to problems and make decisions by holding brainstorming sessions

How often are we meeting up?
once weekly through bigBlueButton platform and conduct special meetups if requested by a member.

How do we execute, evaluate and review what we do?

During each weekly meeting each individual should present the progress of their delegated tasks within the previous week.

This will be evaluated by the team with necessary suggestions and improvements

How do we communicate as a team and keep everyone up to date?

Through our whatsapp group and calls when urgent.

What are the rules we want to introduce after doing this session?

Deadlines should be met unless in exceptional circumstances.

In a situation where a team member is unable to join the scheduled meeting he should communicate his progress to the other members

Purpose

To have a net positive impact on the world while simultaneously developing essential skills

Personal Goals

What are our personal goals that we want to achieve?

Ravindu Yasas Nagasinghe
would love to get the experience of working in a one year long project before my final year project.

Rahal
To gain experience and knowledge about the process of designing and developing a marketable product

Daksith
Learn how to apply theoretical knowledge to solve practical problems.

Rahul
Gain confidence in myself and learn new skills that will make me better suited to face the industry

Needs & Expectations

What does each one of us need to be successful?

What are our personal needs towards the team to be at our best?

Ravindu Yasas Nagasinghe
Specific delegation of task. Time to study the task properly. Extend the deadlines if necessary in busy schedule.

Rahal
